Stately stands in view
Home of our loved Alma Mater
We are proud of you.
To East High we will be loyal
Hail to thee, all hail
With maroon and white our colors
We will never fail.

Worldwide go your sons and daughters
Sing your praise a-new,
May your teachings ever guide us
We will e'er be true.

MY SONG

by Mike Pinder

I'm going to sing my song
And sing it all day long
A song that never ends.
How can I tell you, all the things inside
my head.

The change in these past years
has made me see our world
In many different ways,
How can I tell you, Love can change our
destiny.

Love can change the world
Love can change your life
Do what makes you happy
And love with all your might,
Before it's too late.

Where did I find all these words
Some-thing inside me is burning
There's life in other worlds
Maybe they'll come to earth,
Helping Man to find a way.

One day I hope we'll be in perfect harmony
A planet with one mind
Then I could tell you
All the things inside my head

I'm going to sing my song
And sing it all day long
A song that never ends
How can I tell you, all the things inside
my head.

I'm going to sing my song
A song that never ends.

*Best of luck

A FIRST BY VARDEN

Student Yearbook Photographers Workshop

"a Fantastic Success"

In August of 1972, Varden Studios sponsored a workshop for student yearbook photographers which was held on the St. John Fisher College campus in Rochester, New York.

One hundred and forty students and yearbook advisors took over 12,000 photographs during a 3 day period. All photos were processed and critiqued during the workshop. In addition to this, everyone enrolled attended 4 theory lectures, 5 one hour talks by top men in their fields, 2 slide shows by Kodak, a tour of the Rochester Institute of Technology photo department and also found time for a cookout and several social hours which included an all night rap session.

Everyone was asked to fill out sheets to evaluate the workshop. Some of the comments were: quote "I hope I flunked so I can return next year" by Laurie Chapman, Amsterdam High School, Albany, New York. "Varden should conduct workshops, again, again, again and again" by Terry Tiraborelli, Fairport High School, Rochester, New York. "I thought the whole workshop was fantastic" by Kathy Beerhalter, John F. Kennedy High School, Utica, New York. "I believe that this workshop, the knowledge and commitment that is

Photographs . . . The Heart of Your Yearbook

involved, has broadened our minds not only as photographers, but also as adult human beings, who can work together to obtain a more advanced form of communication" by Craig Gross, Corning-Painted Post East High School, Corning, New York.

Workshop '73 has already been planned. For information, call or write Mr. Carl Tandoi, Varden Studios, Inc., Rochester, New York 14607. Phone 546-2360. We hope to see you there.

OUR THANKS

Mrs. Moran — A common sight to the Logos staffs was you checking a stack of pages, helping a confused staff member, answering all our endless questions, and making a few jokes. From the beginning of July when the question was, "Could we do a yearbook?" to the end of May when the question was, "When do we get our yearbook?", we could not find the words to express the gratitude we felt.

Mr. McCann — As a representative, you were always there to take our criticism, our jokes, our questions, and our collect phone calls.

Mr. Burmeister — You have given us the administrative support we needed as our principal.

Mr. Erhman — You gave us the solid financial base we needed to put this yearbook together.

Members of the Logos staff — Out of mass confusion, countless ruined copy sheets, and endless nights, we settled down to the realities of putting a yearbook together. You were understanding and patient when we were under pressure. We'd also like to thank Marty Poole for his design on the cover. (Marty at the right.)

Three years is a long time
 —too long to forget.
 We look around and ask
 —where did it go?
 We worked, we played
 —but for three years?
 Then we look the other way
 —into tomorrow.
 Suddenly we're not so tall
 as we thought we were
 And not so smart.
 But we find that somehow
 We learned a decisive lesson at East
 something we wouldn't have had
 —a direction into that uncertain
 tomorrow.
 It can never be so dark again
 Though the world may change
 and the times change
 and we change.

Our East High of Crystal City
Stately stands in view
Home of our loved Alma Mater
We are proud of you.
To East High we will be loyal
Hail to thee, all hail
With maroon and white our colors
We will never fail.

Worldwide go your sons and daughters
Sing your praise a-new,
May your teachings ever guide us
We will e'er be true.
To East High we will be loyal
Hail to thee, all hail
With maroon and white our colors
We will never fail.
